## Another Nice Day This Thursday; Come on Out!

Loaring Farm will be joining the market this week! They will have fresh picked yellow and zucchini squash, onions, and new potatoes. Shaw Farm had some great hanging baskets, jams and jellies, as well as some beef and pork, and eggs last week. Kempt Soap offers their handmade soaps and lotions. At Sea of Green Farm you can pick up some interesting and nutritious micro-greens and fresh cut flowers. As always, you will find other produce, puppy treats, honey, eggs, grass-fed and finished beef, pork, lamb, bison! Don't forget, we are here regardless of the weather; rain or shine!

Our market is in a slightly new location from last year's. Our tents will be set up adjacent to the parking lot which means you will not have to navigate the lawn. Even though we are set up on the church side of the property, DO NOT pull into the EXIT driveway (steeple side of the building). Please come in the ENTRANCE driveway and drive around the back of the building to park on the church (steeple) side of the building.

To allow our vendors to set up their booths and serve you better, there will be no early sales; so we are asking that you please not arrive until 3:00pm.

- Convenient Parking
- Locally grown produce
- Farm Fresh produce & eggs
- Grass-fed and Finished Meats
