We Just Received More Joe's Backyard Honey. Come Get It!

Loaring Farm will have tomatoes, cabbage, eggplant, green peppers, okra, kale, and farm fresh eggs.

We have more Joe's Backyard Honey in stock. Stop by and see Pastor Doug and pick up a bottle or two. It's great for those miserable allergies going around right now

For your convenience, Dreamcatcher Farm is now accepting credit cards for your purchases of grass-fed and finished beef, pasture raised pork and lamb as well as bison. Now offering several different cuts of steak, as well as delicious Dreamburgers for that summer picnic!

Please come in the ENTRANCE driveway and drive around the back of the building to park on the church (steeple) side of the building. To allow our vendors to set up their booths and serve you better, there will be no early sales.
