It's Tomato Season! Check Them Out at Loaring Farm Along With All The Other Fresh Produce

Come on out and enjoy the cooler sunny weather! Quite a break from the last few weeks!

Loaring Farm will have tomatoes, squash, zucchini, beets, and potatoes. Also quilts and book bags.

Gangsta Dog has your dogs' favorite treats, dog food, antlers, and pick up some great tips, as well as some neat accessories. Convenient food refills are available. Ask for details.

We sold out of Joe's Backyard Honey last week, however we are expecting to receive more before the market opens on Tuesday. Stop by and see Dick, and pick up a bottle or two. It's great for those miserable allergies going around and it's LOCAL.

Once again, the church will be selling Dreamcatcher Farm's grass-fed and finished beef, pasture raised pork and lamb. Don't forget to pick up some Dreamburgers, ribeyes, Italian sausage, and brats and other cuts for grilling!
